A diagram showing a corner with a horizontal line extending to the right and a vertical line extending upwards. A diagonal line connects the end of the horizontal line to the end of the vertical line. A small square is at the end of the horizontal line.

Hobbit

North
East

A diagram showing a corner with a horizontal line extending to the right and a vertical line extending upwards. A small square is at the end of the horizontal line.

South
West

A diagram showing a corner with a horizontal line extending to the right and a vertical line extending downwards. A small square is at the end of the horizontal line.

South
East

A diagram showing a corner with a horizontal line extending to the right and a vertical line extending downwards. A small square is at the end of the horizontal line.
